Amazing Panoramic Mountain Views with loads of potential!!! This well cared for 2271 sq/ft, 4 bdrm, 2 bath rancher with a walkout basement is the perfect home. Located in a sought-after neighborhood on a quiet cul-de-sac with just under 1/3 of an acre with a private and maturely landscaped view lot. Updated modernized kitchen with stainless steel appliances, newer washer and dryer and main bathroom. Rear yard access for RV parking, room to build a detached shop, in-law suite and could easily be added in the bright walkout basement. This gently slopping view property is a great spot for an infinity pool!!!
