Here it is! This beautiful top floor, centrally located, south facing condo is a fantastic place to call home. With an easy five-minute walk to Historic downtown Abby this is a rare opportunity to be in the center of this fantastic up and coming city. Units like this don't come up for sale often, this is the biggest, brightest most open concept floorplan in the development! It is also a great investment as there are no rental or age restrictions. Call your Realtor, this one won't last long.
