They just don't make 'em like they used to!! Finally, the space you've desired but have been unable to find in new townhouses. This spotless three bedroom with MOUNT BAKER VIEWS has a master big enough for a king bedroom set, living and dining areas large enough for house-size furniture, a large linen closet, under the stairs storage and an over height 15' by 9'6 bonus room with built in shelving at rear of garage. The gorgeous yard backs green space and is perfect for kids and pets with access off the living room. You're steps from nature trails, Kanaka Creek Elementary, and have transit right outside your door! Pro active strata with low fees that cover the lush landscaping and exterior maintenance including the brand new roof going on right now! This is the one you've been waiting for!
