Great things come in small strata's, take a look at "Alara" Willoughby's boutique-sized townhouse with mountain and pastoral pasture views. Striking open concept living with SS appliances, gas stove & impressive large island. Upper with three BDRMS, three bathrooms, front deck with mountains views or back deck with no one behind, & a fully fenced yard. This home is barely lived in as completed summer of 2020 and is still in pristine condition. Located close to Richard Bulpit Elementary, Willoughby Town Centre, or a quick drive to Walnut Grove or lower Willoughby. This is one you don't want to miss. Open House Dec 12 12-3
