4 Bedrooms | 3 Bathrooms | 2,455 Sqft

Tucked away on a greenbelt, in Walnut Grove's prestigious Forest Hills neighbourhood, you'll find this spacious custom-designed and built 2 storey home. From the captivating street appeal to the tranquil master suite, from the private backyard to the elegant living room, this exceptional home is above the expected. Taking advantage of its uniquely private location, the home features huge windows throughout, which bathe every room with natural light, and invites the outdoors in. The kitchen has ample cupboard and counter space, and the family room features hardwood floors, and doors which usher you to the fenced backyard. Upstairs, the large master suite features 2 walk-in closets, and a 6 piece ensuite, boasting a soaker tub and a separate shower.
