\$495,000

3 Bedrooms | 1 Bathroom | 1,175 Sqft

Keats Island- best value on the island, property has 2 lots with separate titles both 7400 square feet. One lot has a cabin that you can live in while building or the 2nd lot has trailer you can live in while building. This is peace and quiet at it s best. Rare on the island as this property has a drilled well. These are the only 2 level lots on the island.
