\$1,375,000

4 Bedrooms | 4 Bathrooms | 3,906 Sqft

Offering the ultimate in luxury and privacy this impressive 2 storey plus basement house, located on a 16,890 square feet lot and located in the Summit at Grant Hill development. This home was built in 2015 by Morningstar homes and features a triple car garage, 1 bedroom basement suite and a fully landscaped yard. No expense was spared in finishing this home with upgraded laminate and tied flooring throughout, luxury kitchen with upgraded appliances including a gas stove and designer light fixtures throughout. The yard has been extensively landscaped with an expansive patio and large covered area, perfect for entertaining. This home is surrounded by nature trails and is just 5 minutes away from the gorgeous falls walkway and is just a 5-6 minute drive from elementary & high schools.
