\$1,575,000

3 Bedrooms | 3 Bathrooms | 2,279 Sqft

WELCOME HOME to this fantastic 3 bedroom, 3 bathroom home located in a cul-de-sac in coveted Walnut Grove. Brand new kitchen boasts double drawers, hi-end LG appliances & gas stove, and opens to the dining and living room. You will also love the cozy family room which leads out to the partially covered deck in the private, fully fenced south facing backyard with shed and beautiful perennials. Good size laundry room is off the garage. Upstairs has 3 good size bedrooms with a brand new en-suite bathroom and a huge rec room which has its own gas fire, mountain views & window-seat storage. House completely painted in 2021 and all Poly-B was removed and replaced with 3/4 pex in 2020. Call today and make this house your new home!
