\$785,000

2 Bedrooms | 1 Bathroom | 959 Sqft

European craftsmanship in this one-of-a-kind renovated townhome in desirable Steeplechase. This two bdrm, one bath home includes almost too many updates to list. Overall updates include flooring and paint throughout including a luxurious marble entry, crown molding, baseboards and light fixtures. New gas fireplace in living room and kitchen updates with quartz countertops, tile backsplash, stone around sink cabinet, new faucet and sink. Upstairs, there is an updated full-size stacker washer and dryer, the bathroom with new tile floor, rain shower with custom tile work, and unique half-stone double sinks with new faucets and two large bedrooms. The backyard patio has been built over with a deck and landscaped beautifully including a small garden box. Close to schools, shopping and transit.
