6 Bedrooms | 5 Bathrooms | 4,184 Sqft

Elegant and impeccably maintained, this 6-bedroom, 5-bath residence showcases breathtaking Mt. Baker views. The upper level features 4 generously sized bedrooms, with 3 bathrooms, including 2 ensuites-one a lavish spa-inspired retreat. Main floor offers soaring ceilings, rich hardwood floors, a chef's kitchen with butler's pantry, and expansive dining and great rooms with a gas fireplace. Step out to a large deck overlooking a beautifully landscaped, fully fenced yard. The lower level boasts a luxurious, bright 2-bedroom in-law suite with separate entrance, including a self contained laundry, heated floors in lower kitchen and family room areas, stunning private patio, wine room, and more. Forced air heating with a heat pump, newer hot water tank, and outdoor shed complete the offering. (id:5706)
