**\$1,189,000**

**4 Bedrooms | 3 Bathrooms | 2,900 Sqft**

Stunning 4 bed, 3 bath home in Camden at the Falls, just 100 yards from the golf course with unobstructed mountain and valley views. Enjoy peaceful hillside living with a spacious primary bedroom and spa-like ensuite overlooking the scenery. The second bedroom doubles perfectly as an office. The open-concept great room features a large kitchen island and high-end stainless steel appliances-ideal for entertaining. The walkout basement offers two additional bedrooms and a covered patio leading to your private hot tub. A rare blend of luxury, privacy, and lifestyle. (id:5706)
