Act fast on this one! Priced well below the 2026 assessment. This solid two-storey home with a full basement is ideally located in the heart of Clayton, offering 2,594 sq ft of living space. Featuring 4 bedrooms, 4 bathrooms, a main-floor den, convenient upper-level laundry, new appliances and bathroom fixtures. There is great potential for a two-bedroom suite with its own laundry, perfect for extended family or as a mortgage helper. Walk to schools, parks, shopping, transit & future sky train station from the central location. With a few minor updates and some TLC, this hidden gem will truly shine. (id:5706)
